This fan-fiction article, **Painter**, was written by [Witcher190](#). Please do not edit this fiction without the writer's permission.

A **painter** is an artist who paints. Most painters work for the different rulers of the world, creating portraits of people who are important to the history such as sorcerers, kings, etc.. Although there are some who work freely and they make totally different paintings.

Trivia

- During the **Witch Hunts** many painters were killed, because they had taken portraits of sorceresses and that was considered "collaboration" with them.
- The vast majority of those portraits were burned.
- Most painters, with the passage of time, ended up becoming free painters.
